Logo Variations

Primary

The primary logo variation features a large, stylized letter 'N' with a vertical gradient from purple at the top to blue at the bottom. To the right of the 'N' is the word 'neurofin' in a lowercase, sans-serif font.

Neurofin

On Black

The logo is displayed on a solid black background. The 'N' maintains its purple-to-blue gradient, while the word 'neurofin' is rendered in white.

Neurofin

On Gradient

The logo is displayed on a background with a horizontal gradient from blue on the left to purple on the right. The 'N' is white, and the word 'neurofin' is also white.
